## Quiz Instructions

Hello students,

I have been unable to find Dr. Bart. He has retreated further into the house and sealed the basement behind him with five passwords.

I require your assistance.

As you navigate the house, you will eventually find an access code. Use the access code to unlock this quiz, which will then allow you input 5 passwords to unlock the sealed basement.

When you submit the quiz, you will be expected to also submit the work you did to get to the answer.

**You must show how you got the answers**, not just submit the answers. I recommend having a piece of paper or two to work on, and then scanning that paper. I must learn all of Dr. Bart's secrets.

I will be in the house, ready to help you if you have any problems.

Please navigate to [the house](https://ohyay.co/s/udel-s21-cisc320#scene_7Pc7xkUB) [\\_\(https://ohyay.co/s/udel-s21-cisc320#scene\\_7Pc7xkUB\)](https://ohyay.co/s/udel-s21-cisc320#scene_7Pc7xkUB) now.

I look forward to watching you.

### Question 1

1 pts

What is the first password?

### Question 2

1 pts

What is the second password?

**Question 3****1 pts**

What is the third password?

**Question 4****3 pts**

What is the fourth password?

**Question 5****3 pts**

What is the fifth password?

**Question 6****1 pts**

Show your work for how you calculated all of these passwords! You can take photos of work you did on paper, or upload a document, or anything else. But we want to see how you got to your answers!

Upload

To get the URL of the endgame screen, you will need to combine the 5 strings shown in the feedback bubbles above, as you complete questions successfully. Submit this quiz, and if you got each one correct then you should get all the URL text you need!
